The *Ontario Police Services Act* and the *Adequacy and Effectiveness of Police Services Regulation* set out the responsibilities that must be fulfilled by a police services board in Ontario. The Ottawa Police Services Board has deemed it desirable to itemize these legislated responsibilities as part of a Board Member Job Description. The purpose of the Job Description is to provide a clear understanding of what is expected of Board members in the way of responsibilities, time commitment, level of involvement, required skills and attributes to assist both prospective and existing members of the Police Services Board in understanding the role of a Board member.

BOARD POLICY

SCOPE/ACCOUNTABILITIES

The Ottawa Police Services Board is legally responsible for the provision of adequate and effective police services in the City of Ottawa. The Board represents the public interest in determining appropriate organizational performance of the Ottawa Police Service, and in providing civilian oversight and governance of the activities of the Police Service.

TIME COMMITMENT

A significant time commitment is required from each member of the Board. Committee meetings usually occur during the day. While the time commitment required will vary for each Board member depending on individual level of participation, the committees they serve on, and how busy those committees are, a Board member can attend an average of 12 meetings/events per month, for an average time commitment of 40 hours per month. Approximately three hours per month is also required for reviewing agendas and other material.

BOARD POLICY

INTRODUCTION

To successfully achieve its mandate of providing sound governance and oversight to the Ottawa Police Service, Board members must collectively possess experience in a wide range of subjects, have the personal attributes necessary to function as part of a consensus-driven group, and be representative of the community the Board serves.

In an effort to ensure the Board collectively possesses the necessary skills, experience, attributes and representational factors, the Board has adopted a Competency / Skills Composite that sets out the desired minimum number of members the Board believes should possess each requirement.

Prior to vacancies coming up on the Board, the Board will assess its collective skills and compare them to the Competency/Skills Composite to identify gaps. The Board will then communicate to the appointing body or bodies the competencies needed to complete its composite.

LEGISLATIVE REFERENCE / AUTHORITY

Section 34 of the *Police Services Act* states that, “A Board may delegate to two or more of its members any authority conferred on it by this *Act*, except the authority to bargain under Part VIII, which the Board may delegate to one or more members.”

Section 61(9) of the *Police Services Act* states that, “A board that is composed of more than three members may appoint a committee of not fewer than three members of the board (two of whom constitute a quorum for the purpose of this subsection) to review a complaint and to make recommendations to the board after the review and the board shall consider the recommendations and shall take any action, or no action, in response to the complaint as the board considers appropriate.”

BOARD POLICY

The Ottawa Police Services Board has established four standing committees to assist it in performing its responsibilities, as is permitted under the *Act*. This policy sets out the general principles for the functioning of these committees and the terms of reference for each.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

GENERAL PRINCIPLES

1. The function of a Board committee is to assist the Board with its tasks in the exercise of its authority and responsibilities.
2. The Board may establish standing or ad hoc committees to inquire into and report on any matter within the jurisdiction of the Board. An Ad Hoc Committee shall be of limited duration and shall dissolve automatically upon submitting its final report to the Board. No sub-groups of committees shall be established without approval of the Board.
3. The Board defines the mandate of committees and appoints the committee membership by resolution. The Board may delegate tasks and projects to the committees and each committee shall report back to the Board on its activities on a regular basis.
4. The Board Chair, ex officio, is a member of every committee and is entitled to participate in and vote at committee meetings.
5. Each Committee shall appoint a Chair of the Committee.
6. All committee meeting agendas will be distributed to all Board members. Members who are not Members of a specific Committee may attend meetings of that Committee and may, with the consent of the Chair of that Committee, take part in the discussion, but shall not be counted in the quorum or entitled to make motions or to vote at these meetings.
7. The rules governing the procedure of the Board and the conduct of Members shall be observed in all Committee meetings so far as they are applicable. Committee meetings and a list of public items shall be advertised. Minutes of committee meetings will be included on regular board meeting agendas for information, accompanied by a verbal update from the committee Chair.
8. Expectations and authority shall be clearly defined in order to not conflict with authority delegated to the Chief of Police.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

9. Committees shall deal through the Board Executive Director with the Chief, or his/her designate(s), when services are required from staff to assist the committee.²
10. Committees make recommendations to the Board unless specific authority is delegated to a committee to make a decision.
11. Board committees may not speak or act for the Board except when formally given such authority for specific and time-limited purposes. The Board Chair may designate a committee Chair to speak to the media regarding deliberations of the committee.
12. Membership on Board committees and external committees shall be reviewed annually and revised accordingly. External committees to which a board member has been appointed to represent the board include the: Community Police Awards Selection Committee; Thomas G. Flanagan Scholarship Award Selection Committee; Police Scholarship and Charitable Fund Committee; and the Service Initiative Community Advisory Group.
13. The general principles contained in this policy apply to any group that is formed by Board action, whether or not it is called a committee and regardless of whether the group includes non-Board members. It does not apply to committees formed under the authority of the Chief.
14. To meet its legislated responsibilities under the *Police Services Act* and to assist the Board in fulfilling its duties, the Board will have four standing committees (terms of reference for each of the committees are set out below):
 - a) Complaints Committee
 - b) Finance and Audit Committee
 - c) Human Resources Committee
 - d) Policy and Governance Committee.

² Section 31(3) of the *Police Services Act* states: "The board may give orders and directions to the chief of police, but not to other members of the police force, and no individual member of the board shall give orders to any member of the police force."

Section 35 of the Province's *Adequacy and Effectiveness of Police Services Regulation* requires that every board and chief of police shall implement a quality assurance process relating to the delivery of adequate and effective police services, and compliance with the *Act* and its regulations.

This policy addresses two components of the Board's work:

2. Identifies a process for annually reviewing the Board's performance and compliance with its work plan, relevant policies, the *Police Services Act* and Ministry regulations.

BOARD POLICY

INTRODUCTION

To assist the Board in planning its activities and ensuring it is fulfilling its responsibilities, the Board will follow an annual planning cycle that includes establishing a yearly work plan for the Board and each of its four standing committees. To assist the Board in pursuing a commitment to continual improvement in its performance, the annual work plan will include a review of the Board's performance.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

GENERAL PRINCIPLES

1. The cycle will begin in the third quarter of each year (July to September) with the initial development of work plans for the upcoming calendar year. Development at this time will ensure the Board considers key issues that need to be addressed during the budget process for the coming year.
2. The Policy and Governance Committee will take the lead in drafting the annual work plan for the Board and will present it to the Board for approval.
3. Work plans for the Board's four standing committees will flow out of the Board work plan.
4. The development of the work plans will include consultation with other groups to be involved, and consideration of Board education and training needs.
5. The work plans will include periodic reviews of Board policies according to the review schedules approved by the Board and identified in individual policies.
6. The Board's work plan will include an annual review of compliance with Ministry Standards.
7. The Board's work plan will include an evaluation of the Chief's performance each year.

REPORTING REQUIREMENT	Annual report to Board in December

LEGISLATIVE REFERENCE / AUTHORITY

Section 37 of the *Police Services Act* states that the board shall establish its own rules and procedures in performing its duties under the *Act*. This policy was created to provide direction to the Board in allocating discretionary funds at its disposal.

BOARD POLICY

INTRODUCTION

The Ottawa Police Services Board has discretionary funds within its Budget to be used for such purposes as: purchasing tickets or making donations to fundraising events held by organizations working closely with the Police Service; funding members of the Police Service to participate in police-sponsored events; or contributing to programs/projects that further the work of the Police Service in the areas of crime prevention, community policing or other public safety initiatives.

GOAL

To establish a Discretionary Fund Policy, consisting of a set of guidelines that identifies recognized funding priorities to assist the Board in allocating the discretionary funds contained within the Board's budget. The guidelines need not limit the Board in its funding of unique projects/functions, but would provide some consistency and rationale in dealing with funding requests that come before the Board for consideration.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

PRIORITIES

The Ottawa Police Services Board will give preference to funding requests that fall into one of the following categories:

- Community Relations through Involvement with Police-Related Organizations

Intended to enable the Board to purchase tickets or contribute donations to fundraising events. The attendance and participation of Board members at fundraising events for organizations that work closely with the Ottawa Police Service serves to demonstrate the Board's goodwill and community involvement.

For this funding priority, the Board Chair shall have delegated authority to approve expenditures up to \$1,500 from organizations that the Board has a history of supporting. Other requests will require Board approval.

- Board/Police Service Relations

To assist members of the police service to participate in police-sponsored events, with the goal of enhancing the image of the Ottawa Police Service in other communities as well as at home.

- Public Education/Awareness

To provide funding to projects outside of routine advertisements and the approved Communications Strategy of the Police Service, that assist the Board in communicating to the general public information related to crime prevention, community policing or other public safety issues.

- Special Board Requirements

Intended to provide flexibility to the Board to fund one-time requirements associated with Board functions, such as the sponsorship of functions at board-related conferences, or special meeting requirements outside of normal budgetary provisions.

ELIGIBILITY CRITERIA

- Groups and organizations requesting funding must be based in Ottawa and organized along not-for-profit principles. Funding requests from individuals will not be considered.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- The organization receiving funding must clearly provide a benefit for the Ottawa Police Service and the community.
- The activities of the organization must reflect the Mission Statement of the Ottawa Police Service.
- Use of the funds must not extend beyond the current fiscal year.
- Funds cannot be used to cover a deficit from a previous year.
- Funds will only be provided to the group directly responsible for the activity or project being funded.
- As a condition of funding, the organization must be willing to make available, if requested, financial records indicating the disposition of the Board's contribution to the project or activity.
- Funds not used as allocated or not needed within the fiscal year, in whole or in part, shall be returned to the Board.

REPORTING AND ANNUAL REVIEW

The Board Executive Director shall prepare and submit an annual report to the Board that will summarize for the completed fiscal year all requests for grants and those approved by the Board. This report shall be submitted to coincide with the annual Police budget review. At this time the Board will review the policy to ensure that the funding priorities and criteria remain reasonable and reflective of the Board's own priorities.

5. Ensure that the complainant is made aware of the OIPRD, is provided with information on the Public Complaint process, and is provided with assistance in filling out the OIPRD form.
6. Ensure that all forms, pamphlets and written material concerning the Complaints Procedure are available in both official languages and that resources are available to ensure that complaints, investigations and services related to the Complaints Procedure are available in both official languages.
7. Ensure that the Complaints Procedure is accessible for persons with a disability, persons who may not be literate, and persons who do not speak either official language.
8. Ensure that the Complaints Procedure includes provisions for the involvement of Human Resources staff in respect of complaints of unsatisfactory work performance, in recognition of the relationship between Part V of the *Act* and the Human Resources function.
9. Maintain a working relationship with the OIPRD and ensure that all directions from the OIPRD are complied with.
10. Ensure that all members of the Police Service receive adequate training in the Complaints Procedure and Part V of the *Act*, and the skills necessary to resolve complaints.
11. Ensure that appropriate staffing designations are made under the *Act*.

2. COMPLAINT WITHDRAWALS

1. If a complaint is withdrawn by a complainant and the OIPRD has given notice of the withdrawal to the Chief or Board, depending on the type of complaint, the Chief or Board (as the case may be) may continue to deal with the complaint if they determine within 30 days of receiving the notice of withdrawal that it is appropriate to do so.
2. In making a decision concerning whether to proceed with a complaint that

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

has been withdrawn, the Board or Chief, as the case may be, shall be guided by the public interest.

3. In the case of a public complaint about the conduct of a police officer, a complaint continued under paragraph 2.1 above shall be dealt with as if it had been made by the Chief or by the Board, as the case may be, in accordance with the *Act*.
4. If the Chief or Board continues to deal with a complaint about the conduct of a police officer after it is withdrawn, the Chief or Board, as the case may be, shall within 30 days after receiving the notice of withdrawal, notify the complainant and the police officer who is the subject of the complaint of the withdrawal and the continuance of the complaint unless, in the Chief's or Board's opinion, notifying the police officer might prejudice an investigation into the matter.

3. PUBLICATION OF DECISIONS

The Chief shall ensure that every decision made as a result of a hearing is made available to the public in the manner that he or she considers appropriate in the circumstances, and shall provide a copy of each such decision to the OIPRD.

4. LOCAL COMPLAINTS

Complaints may be treated as "local complaints" if the complainant has not filed a public complaint. In dealing with local complaints the Chief of Police shall:

1. Develop a Local Resolution/Local Complaint Procedure in compliance with Ontario Regulation 263/09.
2. The Local Complaint Procedure shall state that the Officer-In-Charge must refuse to process a complaint as a Local Complaint if:
 - a) the involved officer has committed or been charged with a criminal offence;
 - b) the complaint is against a Chief or Deputy Chief; or
 - c) the Officer-In-Charge believes it is in the public interest for the matter to be dealt with as a public complaint.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

3. Ensure that, if the Local Complaint is not a qualifying matter in accordance with section 4.2 above, the complainant is asked to make a public complaint. If the complainant refuses to make a public complaint, the Chief shall direct that an internal complaint be forwarded to the Professional Standards Section for review.
4. Ensure that, if the Local Complaint is a qualifying matter, the Officer-In-Charge must accept it and attempt to resolve it by discussing the matter with the officer involved; facilitating discussion between the complainant and the officer; facilitating an apology by the officer if appropriate; or, contacting the Professional Standards Section if a formal mediation or alternative dispute resolution process is required.
5. Refuse to accept or deal with a Local Complaint if the complainant has already made a Part V complaint about the same matter.

5. POLICY AND SERVICE COMPLAINTS

The OIPRD determines if a complaint is about a policy or service of the Police Service and will refer the complaint to the Chief of Police. The Chief of Police:

1. Shall ensure that within 60 days of the OIPRD referral, the complainant is notified in writing of the disposition of the complaint, with reasons for the decision, and of their right to request the Police Services Board to review the complaint if they are not satisfied with the disposition. The complainant must request a review, in writing, within 30 days of receiving the disposition.
2. May extend the 60-day period by notifying the complainant in writing of the extension before the expiry date of the period being extended.
3. Shall ensure that upon disposition of every complaint about a policy or service, a brief written synopsis, including the disposition of the complaint, is submitted to the Police Services Board as part of the Quarterly Complaints Report.

Requests for Review:

4. As permitted under section 63(7) of the *Act*, the Board shall establish a “Complaints Committee” made up of three members of the Board (two of whom constitute a quorum), to review policy or service complaints and make

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

recommendations to the Board.

5. Upon receipt of a request for a review, the Board's Executive Director shall immediately notify the Chief in writing, and shall request the materials set out in paragraph 6 below.
6. When a review of a policy or service complaint has been requested, the Chief shall submit a written report to the Board's Complaints Committee that includes the following:
 - a) a copy of the complaint;
 - b) a copy of the relevant forms provided to the complainant;
 - c) a copy of the written disposition provided to the complainant;
 - d) any other documentation or information considered in making any findings in respect of the complaint.
7. Within thirty (30) days of receiving the request for review, the Complaints Committee shall:
 - a) review the report of the Chief; and
 - b) make a written report to the Board with recommendations concerning the disposition of the complaint, including a recommendation as to whether or not to hold a public meeting on the matter.
8. The Complaints Committee may extend the time limit in paragraph 7 above, upon giving notice to the complainant, the Chief and the Board.
9. If so requested by the Board, the Complaints Committee shall provide to the Board all documentation and information considered by the Complaints Committee in making its recommendation.
10. In deciding whether to hold a public meeting pursuant to the *Act*, the Board shall consider at least the following:
 - a) whether the complaint raises significant present, past or potential issues concerning public safety, law enforcement, and crime prevention in the City of Ottawa;

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- b) whether public input could reasonably be required to effectively deal with the complaint, and
 - c) whether it is in the public interest to hold such a public meeting.
11. a) Notice of a public meeting to be held pursuant to section 63(8) of the *Act* shall be given in English and French language media that, in the opinion of the Board, will provide the public with reasonable notice of such meeting.
- b) The notice shall include at least the following:
- (i) a summary of the nature of the complaint;
 - (ii) the time and place of the meeting;
 - (iii) the address for filing of written submissions;
 - (iv) the deadline for filing of such written submissions;
 - (v) any other relevant information.
12. The Board shall make a decision with respect to the complaint, including a decision to hold a public meeting, and notify the complainant, the Chief and the OIPRD of its decision, in writing, within sixty (60) days of receipt of the request for review.
13. The Board may extend the time described in paragraph 12 above by giving written notice to the Chief and the complainant.
14. Wherever feasible, the Board shall deal with all issues relating to the complaint in a public meeting of the Board.
15. In accordance with section 35(4) of the *Act*, the Board may decide to deal with all or part of a complaint *in camera*.
16. The Board shall ensure compliance with the *Municipal Freedom of Information and Protection of Privacy Act* and shall not disclose any personal information of the complainant or other parties without their consent.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

6. CONDUCT COMPLAINTS - OFFICER

1. This section is applicable to complaints about the conduct of an officer other than the Chief or a Deputy Chief. The Chief of Police shall ensure that:
 - a) The Complaints Procedure regarding the handling of public complaints about the conduct of an officer is compliant with the *Act*.
 - b) The Board is kept informed of any serious complaint by way of confidential written reports.
 - c) All decisions concerning criminal charges will be made in consultation with the Crown Attorney's Office. The Board shall be notified of these decisions as soon as reasonably possible.
 - e) Complainants are given all necessary guidance, support and protection, including confidentiality of the complainant's identity when requested by the complainant, except for such disclosures as may be required by law.
 - f) Complainants are advised of the progress of disciplinary proceedings and their right to participate and are also informed of their right to request anonymity and a closed hearing.
 - g) No further action is taken with respect to a complaint once the Chief is notified of the resignation of an officer who is the subject of a non-criminal complaint. The Chief shall advise the OIPRD of the resignation if the complaint was made by a member of the public.
2. No member of the Board or Police Service shall enter into any agreement concerning criminal charges that involves the resignation of a member of the Police Service or Board.

7. CONDUCT COMPLAINTS - CHIEF OR DEPUTY CHIEF

1. General

This section relates to conduct complaints about the Chief or a Deputy Chief and provides direction to the Board in reviewing conduct complaints generated by the Board itself, and public complaints referred to it by the OIPRD.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

2. Internal Board Complaints About the Chief or Deputy Chief
 1. In initiating a complaint against the Chief or Deputy Chief, the Board is not a complainant for the purposes of Part V of the *Act*.
 2. The Board shall promptly give notice of the substance of the complaint to the Chief or Deputy Chief unless, in the Board's opinion, to do so might prejudice an investigation into the matter.
 3. If the Board is of the opinion that the Chief or Deputy Chief's conduct may constitute an offence, or misconduct or unsatisfactory work performance, the Board shall ask the Ontario Civilian Police Commission to assign the Chief of Police of another police force to cause the complaint to be investigated promptly, and the investigation to be reported on in a written report at the Board's expense.
 4. At the conclusion of the investigation, the Investigating Chief may form the opinion that the complaint is unsubstantiated and in such a circumstance, the Investigating Chief shall report that opinion in writing to the Board.
 5. If the Board receives a written report from the Investigating Chief with the opinion that the complaint is unsubstantiated, the Board shall take no action in response to the complaint and shall notify the Chief or Deputy Chief who is the subject of the complaint in writing of the decision, together with a copy of the written report.
 6. At the conclusion of the investigation, the Investigating Chief may form the opinion, on reasonable grounds, that the conduct of the Chief or Deputy Chief under investigation constitutes misconduct or unsatisfactory work performance. In such a circumstance, the Investigating Chief shall refer the matter to the Board together with a written report.
 7. If the Board receives a written report from the Investigating Chief with the opinion that there are reasonable grounds to conclude that the conduct of the Chief or Deputy Chief constitutes misconduct or unsatisfactory work performance, the Board must make a decision regarding the seriousness of the misconduct or unsatisfactory work performance.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

8. If the Board is of the opinion that the misconduct or unsatisfactory work performance is serious in nature, the Board shall hold a hearing into the matter or may refer the matter to the Commission to hold the hearing.
9. If the Board is of the opinion that the misconduct or unsatisfactory work performance is not of a serious nature, the Board may resolve the matter informally without holding a hearing, if the Chief or Deputy Chief consents to the proposed resolution.
10. If the Chief or Deputy Chief does not consent to an informal resolution, the Board shall hold a hearing in accordance with the *Act*.
11. Informal resolutions must be consented to by the Chief or Deputy Chief and the statutory “cooling off” period would not apply, unless it is a public complaint.
12. If an informal resolution is attempted but not achieved, the following rules will apply:
 - a) The Board shall provide the Chief or Deputy Chief with reasonable information concerning the matter and shall give him, or her, an opportunity to reply, orally or in writing.
 - b) Subject to sub-paragraph (c), the Board may impose on the Chief or Deputy Chief one of the penalties described in the *Act* or any combination thereof, and may take any other action described in the Hearing section of the *Act*. The Board may cause an entry concerning the matter, the penalty imposed or action taken, and the Chief’s or Deputy Chief’s reply to be made in his or her employment record.
 - c) If the Chief or Deputy Chief refuses to accept the penalty imposed or action taken, the Board shall not impose a penalty or take any other action or cause any entry to be made in the employment record, but shall hold a hearing, or refer the matter to the Commission to hold a hearing.
13. An entry made in the Chief’s or Deputy Chief’s employment record under the *Act* shall be expunged from the record two years after being made if, during that time, no other entries concerning misconduct or

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

unsatisfactory work performance have been made in the record under Part V of the *Act*.

14. The Commission may at any stage in the complaints process direct the Board to deal with the complaint as it specifies.
3. Public Complaints About the Chief or Deputy Chief
 1. All complaints about a Chief or Deputy Chief must be made to the OIPRD. The Board recognizes that it has no authority to initially receive a complaint. The Board shall forward any complaint received to the OIPRD within 3 business days of its receipt.
 2. The OIPRD will undertake the preliminary screening of the complaint. The initial screening will consider whether the complaint is made within the statutory six month time frame; whether the complaint is frivolous or vexatious, and whether the complainant was directly affected by the conduct.
 3. If a complaint passes the preliminary screening, the OIPRD shall refer all complaints about a Chief or Deputy Chief to the Board for review.
 4. When a public complaint is referred to the Board by the OIPRD, the Board shall give notice of the substance of the complaint to the Chief or Deputy Chief, unless in the Board's opinion, to do so might prejudice an investigation into the matter.
 5. If at the conclusion of its review the Board decides the conduct is not an offence, misconduct or unsatisfactory work performance, then the Board shall take no action and shall notify the complainant, the Chief or Deputy Chief and the OIPRD in writing of the decision, with reasons.
 6. If at the conclusion of its review the Board decides that the conduct is an offence, misconduct or unsatisfactory work performance, then the Board must ask the OIPRD to investigate and provide a written report, at the Board's expense.
 7. If at the conclusion of the investigation, the OIPRD is of the opinion that the complaint is unsubstantiated, the OIPRD shall report this conclusion in writing to the Board and the Board shall take no action regarding the

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

complaint. The Board shall notify the complainant and the Chief or Deputy Chief in writing of the decision and provide a copy of the OIPRD report.

8. If at the conclusion of the investigation, the OIPRD is of the opinion, on reasonable grounds, that the conduct constitutes misconduct or unsatisfactory work performance, the substantiated complaint is referred to the Board together with a copy of the OIPRD written report. If the OIPRD is of the opinion that the conduct of the Chief or Deputy is not of a serious nature, the OIPRD can advise the Board when it submits the complaint to the Board.
9. If the Board receives a written report from the OIPRD substantiating the complaint, the Board must assess whether the conduct is of a serious nature.
10. If the Board views the complaint as serious, it shall hold a hearing into the matter or refer it to the Commission for a hearing.
11. If the Board considers the matter not to be of a serious nature, the Board may resolve the matter informally without holding a hearing if the Chief or Deputy Chief and the complainant consent to the proposed resolution.
12. The Chief or Deputy Chief and the complainant who consent to a proposed resolution may revoke the consent by notifying the Board in writing of the revocation no later than 12 business days after the day on which the consent is given.
13. If consent is not revoked by the Chief or Deputy Chief or complainant, the Board shall give notice of the resolution to the OIPRD and shall provide the OIPRD with any other information respecting the resolution that the OIPRD may require.
14. If consent to the informal resolution of a matter is not given or is revoked, the following rules apply:
 - a) The Board shall provide the Chief or Deputy Chief with reasonable information concerning the matter and shall give him, or her, an opportunity to reply, orally or in writing.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- b) Subject to sub-paragraph (c), the Board may impose on the Chief or Deputy Chief any of the penalties described in the *Act* or any combination thereof, and may take any other action described in the Hearing section of the *Act*. The Board may cause an entry concerning the matter, the penalty imposed or action taken, and the Chief's or Deputy Chief's reply to be made in his or her employment record.
 - c) If the Chief or Deputy Chief refuses to accept the penalty imposed or action taken, the Board shall not impose a penalty or take any other action or cause any entry to be made in the employment record, but shall hold a hearing, or refer the matter to the Commission to hold a hearing.
- 15. Any entry made in the Chief's or Deputy Chief's employment record shall be expunged from the record two years after being made, if during that time no other entries concerning misconduct or unsatisfactory work performance have been made in the record.
- 16. As permitted by the *Act*, the Board and Chief or Deputy Chief may enter into an agreement to permit penalties or actions other than those permitted by the *Act* if the Chief or Deputy Chief consents, without a hearing.
- 17. The OIPRD has the power, at any time after a public complaint has been made and before a hearing is commenced, to:
 - a) Direct the Board to deal with the complaint as the OIRPD specifies;
 - b) Assign the conduct of a hearing to the Commission; or
 - c) Take or require to be taken by the Board any other action with respect to the complaint that he or she considers necessary under the circumstances.
- 18. A hearing held by the Board shall be in accordance with the provisions of the *Statutory Powers and Procedures Act*.

4. Resignation

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

1. If at any time after a complaint about the conduct of the Chief or Deputy Chief is made by the Board or a public complainant, and the Chief or Deputy Chief resigns before the complaint is finally disposed of, the Board shall take no further action.
2. If the complaint was made by a member of the public, the Board shall promptly notify the OIPRD of the resignation of the Chief or Deputy Chief.
3. If the complaint was initiated by the Board, the Board shall promptly notify the Commission of the resignation of the Chief or Deputy Chief.

BOARD POLICY

The Ottawa Police Services Board is committed to providing leadership development opportunities to members of the Police Service and supports the utilization of ‘acting’ assignments for the purpose of gaining experience in senior command positions. Acting assignments provide senior staff with a chance to participate firsthand in the decision-making that occurs at the Executive level, to see the many factors that influence decisions and to experience the complexity of contacts and communication expected of a police leader.

This policy provides direction with regard to the approval of acting assignments and the salary that individuals shall receive when fulfilling acting assignments in the positions of Chief of Police, Deputy Chief of Police, and Director General (a civilian equivalent to a Deputy Chief). All positions affected by this policy are retained through individual contracts with the Board.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

It is the policy of the Ottawa Police Services Board that:

A. ACTING ASSIGNMENT APPROVAL

1. Should the Chief, Deputy Chief or Director General be absent from duty by reason of illness or injury or extended leave of absence for a period that is less than four (4) weeks, the Board delegates authority to the Chief to appoint someone on an acting basis during the period of such absence.
2. In the event that the Chief, a Deputy Chief or the Director General is absent from duty by reason of illness or injury or extended leave of absence, for a period which may exceed four (4) weeks, the Board reserves the right to appoint an Acting Chief, Deputy Chief or Director General during the period of such absence, after consultation with the Chief of Police.
3. The Board also reserves the right to appoint an Acting Chief, Deputy Chief or Director General in the event that the Chief, Deputy Chief or Director General is the subject of a complaint or disciplinary proceeding, and the Board determines that he/she should be removed from their appointment pending resolution. In such case, there will be no reduction or suspension of salary entitlements pending the investigation of the complaint or disciplinary proceeding. If the Chief, Deputy Chief or Director General returns to duty, the acting appointment will terminate, and the Chief, Deputy Chief or Director General will be restored to their position.

B. ACTING PAY

1. Any employee designated by the Board or Chief of Police to perform the duties of the Chief of Police, a Deputy Chief of Police, or the Director General, for a continuous period of more than ten (10) days shall receive acting pay during the time the employee acts in that capacity, retroactive to the start date of the assignment.
2. In determining acting pay for the Chief, Deputy Chief or Director General positions, for the duration of the acting assignment the employee in the acting assignment will receive acting pay equal to the step in the higher rank's salary grid that is closest to their incumbent hourly salary rate, provided it constitutes at least a four percent (4%) increase over their incumbent hourly salary rate.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

3. The hours of work for acting assignments under this policy are seven (7) hours per day (not including lunch hour), or 70 hours bi-weekly.
4. Employees in acting assignments under this policy will continue to receive the rights and benefits to which they are entitled in their incumbent position. Only the amount of salary paid will change during the acting assignment.
5. Should an employee serve continuously (not cumulatively) in an acting position for a period greater than one year, they will receive an increment to the next level, subject to satisfactory performance.

GENERAL PRINCIPLES

It is the policy of the Ottawa Police Services Board that:

1. Unless otherwise specified, the spokesperson for the Board is the Chair of the Board. Should the Chair be unavailable, the Vice-Chair shall be the spokesperson for the Board.
2. In special circumstances, such as labour relations or where a Board subcommittee has been established on a specific issue, the Board may designate the member leading the negotiations, or the Chair of the committee, to act as spokesperson for the Board on the subject in question.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

3. On matters of factual information, administration of the Board, or communicating a decision of the Board in response to an inquiry, the Board Executive Director may act as a spokesperson on behalf of the Board.
4. The Board Executive Director is responsible for informing the local media of the date and time of future Board meetings and news conferences held by the Board. He/she is also responsible for arranging news conferences and for coordinating joint events with the OPS Media Relations Section when both the Board and the Police Service are affected.
5. When required, the Board Executive Director will serve as a liaison between the media and the Board spokesperson when requests are received for interviews or comments.
6. The Board spokesperson shall be careful to speak only on matters within the jurisdiction and mandate of the Board and to avoid speaking about matters that fall under the jurisdiction of the Chief of Police.
7. When operational matters under the jurisdiction of the Chief of Police are likely to spark significant public interest or debate, the Chief will inform, where practicable, Board members before a public statement is made.
8. If warranted by the significance and seriousness of the matter, the Chief of Police and/or Board Chair may consult with the Board before information is released to ensure public release is appropriate and justified, and to receive advice on the format and tone of the communication.
9. Board members may communicate a position of the Board, however, should a Board member publicly disagree with a position of the Board, or should a Board member comment upon a matter not yet before the Board, she/he will clearly identify that they are speaking as an individual and not on behalf of the Board. Nor shall a Board member state the Board has taken a position on a matter until the matter has been voted upon.

13. Board members and staff will comply with all relevant legislation including the *Municipal Freedom of Information and Protection of Privacy Act*.
14. Communications from the Board will be in both official languages using the City of Ottawa's French Language Services Procedure Manual as a guide. When required, the Chair may designate a French-speaking member of the Board to respond to media inquiries.

This policy establishes guidelines for attendance, travel, eligible expenses and reimbursement of expenses incurred as a result of Board members attending functions related to their duties or training.

APPLICATION AND SCOPE

The Board Member Travel and Expense Reimbursement policy applies to members and administrative staff of the Ottawa Police Services Board with respect to expenses incurred as a result of attendance at conferences, conventions, seminars, training sessions and meetings related to their duties with the Board.

GUIDELINES

1. General

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- 1.1 Board members and Board staff will be reimbursed for eligible expenses as listed in section 3, incurred in the execution of their duties and for attendance at a Board-related conference, seminar, meeting or other event.
- 1.2 Reimbursement will be provided to Board members who travel by air, bus or train, personal vehicle or, with the approval of the Chair, a rented vehicle.
- 1.3 If air/rail travel is required, bookings will normally be made at the best advance booking price, taking into account economy and convenience. First class rail travel is permitted if the cost is comparable to economy airfare, otherwise all travel will be booked at economy fares if available.
- 1.4 Normally air/rail travel tickets will be arranged through the Board office, however, should it be necessary for a Board member to make their own travel arrangements to accommodate a personal or business schedule, the Board will reimburse the person for the ticket purchased.

2. Conference Approval Process

- 2.1 Early in each year Board members will receive a document outlining the dates, locations and estimated cost of commonly attended annual conferences for that year so Board members can give thought to which conferences they would like to attend. Details of other conferences shall be brought to the Board's attention as they become available.
- 2.2 As each conference approaches, Board members will be asked to indicate their interest in attending and a report will subsequently be submitted to the Board at a public meeting requesting approval for those wishing to attend.
- 2.3 When time constraints do not allow for a report to go to the Board requesting approval for attendance at a conference, the Board Chair shall have the authority to authorize the attendance, including travel, of any person covered by this policy.
- 2.4 Board staff will ensure Board members approved for attendance at conferences are registered for the conference, and will book hotel accommodations and make travel arrangements on behalf of Board members. If an expense has not been prepaid, the Board member is responsible for payment of the cost and will be reimbursed upon submission of a duly completed Expense Claim Form.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- 2.5 An advance for anticipated costs associated with travel shall be provided to the member, if requested. Any difference will be reconciled on the Expense Claim Form. If the conference is in the United States, the travel advance will be paid in U.S. funds. Reimbursement will be paid at the rate of exchange on the date the expense was incurred.

3. Eligible Expenses

- 3.1 Board members will be reimbursed for:

- i) Registration costs.
- ii) Actual travel costs to and from the event, or the cost of economy airfare based on an advanced booking rate, whichever is less; original receipts required.
- iii) Should a Board member use their own vehicle for travel to and from the event, kilometre reimbursement will be in accordance with Treasury Board of Canada rates effective January 1 of the calendar year in which the travel is claimed, up to a maximum cost equal to that of economy airfare at an advanced booking rate.⁴
- iv) A per diem allowance to cover the costs of meals and miscellaneous personal expenses will be provided for the number of full days away, including the days of departure and return. No receipts are required. For partial days, meal allowances will be provided as appropriate. If meals are provided at the event attended, no meal allowances will be paid for those meals. The per diem and meal allowances shall be made in accordance with Treasury Board of Canada rates effective January 1 of the calendar year in which the travel is claimed.⁵
- v) Hotel accommodation at a single occupancy rate; original receipts required.
- vi) Parking and ground transportation charges; original receipts required.
- vii) Reasonable telephone calls supported by receipts when the per diem is not claimed;

⁴ As per Board's Financial Accountability Procedures Manual, Annex 2, section 1.4 (By-law #2 of 2014)

⁵ As per Board's Financial Accountability Procedures Manual, Annex 2, section 2.1 (By-law #1 of 2008)

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- viii) Should a Board member feel it is necessary to rent a car in order to attend an event, at the Chair's discretion the cost may be claimed as an expense. Original receipts are required.
- ix) The cost of purchasing out-of-country medical insurance coverage is an allowable expense provided receipts are submitted in evidence of the expense incurred. The maximum coverage will be the premium for single coverage for the actual number of days on business.

4. Ineligible Expenses

- 4.1 Payment of expenses related to the attendance of any person other than the Board member (eg. Spouse, family member) will not be allowed.
- 4.2 Board members must pay for their own expenses related to social events not included in the conference registration fee, such as golf tournaments.
- 4.3 There shall be no reimbursement for any loss of personal effects that may occur while travelling on behalf of the Police Services Board.
- 4.4 Expenses connected with stopovers at resorts or other places while not on Board business will not be allowed for reimbursement unless it results in a lower cost to the Board.
- 4.5 Alcohol charges will not be reimbursed.

5. Expense Claims / Reimbursement

Approval and reimbursement of travel expense claims will be in accordance with the following procedures:

- 5.1 All expense claims, including required receipts, shall be submitted to the Board Office within ten (10) working days of the completion of travel.
- 5.2 Claim forms must be signed by the Board Chair or his/her designate, except for claims submitted by the Board Chair, which must be signed by the Vice Chair or designate. Any claim in dispute shall be referred to the Board for review.
- 5.3 Signed claim forms will be submitted to the Board Executive Director for processing.

7. Other Applicable Provisions

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

members of the Service for necessary and reasonable costs incurred as a result of legal indemnification, as set out in the Uniform, Civilian or Senior Officers Collective Agreements for employees of the Service.

This policy establishes administrative procedures to be followed when requests for legal indemnification and payment of legal accounts are submitted for approval by members of the Service.

RESTRICTION

Nothing in this policy is intended to contravene the provisions of any applicable collective agreement.

APPLICATION

This policy applies to requests for legal indemnification and payment of legal accounts submitted to the Board pursuant to the Uniform, Civilian or Senior Officers Collective Agreements, as well as requests submitted by Auxiliary Volunteers of the Service.

In accordance with this policy in the case of Auxiliary Volunteers and the Uniform, Civilian or Senior Officers Collective Agreements for employees of the Service, the Board will provide legal representation through the Board Solicitor for an auxiliary volunteer or member of the Service who is a defendant in a civil or administrative claim for damages arising out of the attempted performance, in good faith, of his/her duties, unless it would result in a conflict of interest for the same legal representative to represent both the Board and the member. In such cases, the member will be required to retain his/her own legal representation, which will be subject to indemnification as per the applicable collective agreement.

Where the auxiliary volunteer or member is charged with a criminal or statutory offence arising out of his/her good faith performance of their duties with the Service, this policy will apply in addition to the applicable collective agreement provision for legal indemnification.

Reimbursement of legal costs for a member required to retain his/her own legal counsel will be determined in accordance with the applicable collective agreement and this policy.

POLICY REQUIREMENTS

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

It is the policy of the Ottawa Police Services Board that the following procedures shall be followed with regard to legal indemnification. In the case of a dispute, the dispute resolution mechanism in the applicable collective agreement will apply (not applicable for auxiliary members).

A. INDEMNIFICATION OF MEMBERS OF THE OTTAWA POLICE SERVICE

1. Uniform and Civilian Members of the Ottawa Police Service may be entitled to legal indemnification in accordance with their respective Collective Agreement. Such indemnification is subject to the conditions set out in the applicable agreement.
2. The following process for approval of legal indemnification will apply:

Step 1. In accordance with the applicable collective agreement, the employee seeking legal indemnification will apply to the Board for approval to retain counsel and approval of counsel to be retained within thirty (30) days of being charged or receiving notice of other legal proceedings covered by their collective agreement. The Board will require, in writing, the name of counsel(s), their contact information, and hourly rates. The Board will not pay for the difference between the hourly rate of a lawyer when the retainer is approved and any subsequent change in his or her hourly rate. The hourly rate at the time of approval will apply for the duration of the retainer.

Step 2. The Board will advise the applicant whether the application for legal indemnification and counsel has been approved. Upon approval of the application for legal indemnification, the Board will send the attached letter to counsel retained to make clear its expectations with respect to billing practices and necessary and reasonable costs.

Step 3. Once legal indemnification and counsel has been approved, the Board will require:

- a) Summary billing updates upon receipt of legal bills. Interim accounts should not be rendered until the amount of the fees and disbursements incurred totals \$2,500.00. Notwithstanding the foregoing, accounts should be rendered prior to December 31st of each year.
- b) A final statement of account for payment (upon conclusion of the matter), addressed to the Board Chair, which includes the following information:
 - i. the name of the matter

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

- ii. the date the task was performed
- iii. by whom the task was performed (if initials are used, the full name should appear elsewhere on the account)
- iv. his or her hourly rate
- v. the time spent for each task (by tenths of an hour, for example)
- vi. a detailed description of the work performed specific enough to allow a person unfamiliar with the file to determine the function performed and its necessity. It is understood that the member is the client and the Board is not seeking any information that would violate solicitor/client privilege.
- vii. a detailed itemization of disbursements
- viii. the cumulative total of fees and disbursements on the file to date.

Accounts rendered to the Board that do not include all the required information will not be paid and clarification will be sought from the association or employee or individual, where appropriate. It is understood that the member is the client and the Board is not seeking information that would violate solicitor-client privilege, however, the Board requires sufficient information upon which to base its approval of legal accounts submitted to it for approval.

3. After approval of legal accounts, the Board will make its best efforts to pay the final account within 60 days of receipt. In accordance with the applicable collective agreement, the Board will reimburse those amounts which constitute necessary and reasonable legal costs. Any concerns should be raised within 60 days of receipt of the account. If concerns are not resolved, the dispute mechanism in the applicable collective agreement will apply (not applicable for auxiliary members).

B. INDEMNIFICATION OF AUXILIARY VOLUNTEERS

1. Auxiliary Volunteers of the Ottawa Police Service may be entitled to legal indemnification in respect of actions or proceedings arising out of acts or omissions by the Auxiliary in his or her capacity as an Auxiliary Volunteer of the Ottawa Police Service. For the purposes of this policy “action or

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

proceeding” includes all civil actions, provincial offences or administrative proceedings, except those arising under the *Highway Traffic Act*, municipal parking or traffic by-laws, or the *Criminal Code*.

2. Subject to the provisions of this policy, in an action or proceeding against an Auxiliary Volunteer with the exception of any criminal or quasi-criminal proceeding, the Board shall defend or represent the Auxiliary in such proceeding in the name of and on behalf of the Auxiliary.
3. An Auxiliary Volunteer may retain his or her own legal counsel for the defence or representation in an action or proceeding in lieu of the defence or representation provided by the Board, provided that the Board shall not reimburse the Auxiliary for his or her legal costs except where the Board has declined to defend or represent the Auxiliary because either:
 - (a) The Board Solicitor has determined that it would be inappropriate for the Board to defend or continue to defend or represent the Auxiliary; or
 - (b) The Board Solicitor is satisfied that the interests of the Board and the Auxiliary conflict.
4. The Board shall not reimburse the Auxiliary Volunteer under this policy unless it has approved the selection of legal counsel retained by the Auxiliary. Such approval shall be conditional upon the requirements set out in this policy.
5. Where an Auxiliary Volunteer is charged with and subsequently acquitted of an offence under the *Criminal Code* or a provincial statute or regulation because of any act done or any failure to act or allegations of same in the attempted performance or performance in good faith of his or her duties as an Auxiliary Volunteer, the Auxiliary shall be indemnified by the Board for the necessary and reasonable legal costs incurred in defence of such charges or allegations. The Auxiliary Volunteer may be entitled to receive payment from the Board for a retainer for interim legal costs incurred in the defence of such charges or allegations to a maximum of \$5,000, at the discretion of the Board.
6. Where an Auxiliary Volunteer is the subject of an investigation in a matter which may result in charges being laid against the Auxiliary under the *Criminal Code* or other provincial statute or regulation, because of any act

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

done or any failure to act or allegations of same in the attempted performance or the performance in good faith of his or her duties as an Auxiliary Volunteer, the Auxiliary may be entitled to receive payment from the Board for a retainer of and/or interim legal costs, not exceeding \$5,000, to obtain legal representation during the investigation, at the discretion of the Board.

7. As a condition precedent to the Board making payments in respect of the costs pursuant to paragraphs 5 or 6 above, the Auxiliary Volunteer must agree in writing to repay the Board, if the Auxiliary is convicted of an offence, all sums paid by the Board including the legal retainer as provided for in paragraphs 5 and 6.

C. COMMUNICATIONS

All communications, including requests for legal indemnification, shall be addressed to the Board Chair.

D. REVIEW OF LEGAL INDEMNIFICATION REQUESTS AND ACCOUNTS

Requests for legal indemnification and all related accounts will be submitted by the Board Chair to the Board Solicitor for review and approval.

The Board Solicitor shall have delegated authority to review and approve requests for legal counsel and the counsel to be retained. In the case of a dispute concerning the counsel to be retained, the matter shall be resolved in accordance with the dispute resolution mechanism outlined in the applicable collective agreement.

The Board Solicitor will review all legal accounts submitted for payment and has delegated authority to authorize their payment where appropriate.

MONITORING REQUIREMENTS

Not applicable.

REPORTING REQUIREMENTS

The Board Solicitor shall report to the Board as part of his/her regular report to the Board:

1. Approval of the provision of legal counsel and retention of said counsel.

Dear <name>,

The Ottawa Police Services Board (“Board”) is a party to a collective agreement with the Ottawa Police Association and the Senior Officers Association. As part of those collective agreements, there are circumstances where the Board is required to reimburse for necessary and reasonable legal costs (to either the member directly or to the association) incurred in the representation of members of the bargaining units.

The Board, as the civilian oversight body of the Ottawa Police Service, represents community interests and one of our responsibilities is the approval of the annual police budget. In this regard, we make our best efforts to ensure that expenses incurred by the Board are fiscally responsible and demonstrate value for public funds.

In the representation of your client, we therefore ask that you review staffing and work assignments with a view to minimize costs and duplication of effort. We also ask upon submitting the final statement(s) of account, that you include sufficient detail within task descriptions to allow for ease in reviewing and approving expenses.

When you were retained by your client, you indicated an hourly rate that would be charged for services rendered. This hourly rate is expected to apply for the duration of the retainer, barring exigent circumstances and approval by the Board.

For clarity, in requesting your consideration of the above, we are not taking a position on counsel’s professional obligations as outlined by the Law Society of Upper Canada, representation and/or strategic decision making or other functions in the representation of clients.

CHAPTER ONE: GOVERNANCE AND ADMINISTRATION

Thank you for your consideration of the Board's concerns. Should you have any questions or require further clarification, please feel free to contact the Board's Solicitor, David White, at 613-580-2424, ext. 21933, or David.White@ottawa.ca.

Yours truly,

Chair

Ottawa Police Services Board

LEGISLATIVE REFERENCE / AUTHORITY

Section 31 of the *Police Services Act* sets out the following responsibilities for police services boards in connection to its relationship with the chief of police:

- 31(1) A board is responsible for the provision of adequate and effective police services in the municipality and shall,
- c) establish policies for the effective management of the police force;
 - e) direct the chief of police and monitor his or her performance;
- 31(3) The board may give orders and directions to the chief of police, but not to other members of the police force, and no individual member of the board shall give orders or directions to any member of the police force.
- 31(4) The board shall not direct the chief of police with respect to specific operational decisions or with respect to the day-to-day operation of the police force.

This policy sets out general rules regarding the relationship between the board and the chief of police, and general expectations that the board has of the chief of police. The policies contained in chapters 3 and 4 of this Manual address specific directions from the board to the chief.

CHAPTER TWO: BOARD – CHIEF LINKAGES

BOARD POLICY

GENERAL PRINCIPLES

Based on the relevant legislation, the Ottawa Police Services Board has established the following general principles to define its relationship to the Chief of Police and its expectations of him or her:

1. The Chief of Police is accountable to the Board acting as a body. The Board will instruct the Chief primarily, but not solely, through written policies. Interpretation, implementation and detailed operational policy development are the purview of the Chief.
2. The Chief of Police shall ensure that all practices, activities, decisions and organizational circumstances are consistent with the *Police Services Act* of Ontario, the *Adequacy and Effectiveness of Police Services Regulation*, Ministry Standards, other relevant statutes, contractual agreements the Board has made with its bargaining units, Board policies, and commonly accepted business practices and professional ethics.
3. Only decisions of the Board acting as a body are binding upon the Chief.
 - a) Decisions or instructions of individual Board members, officers, or committees are not binding on the Chief except in those instances when the Board has specifically authorized such exercise of authority and has advised the Chief of such authority.
 - b) In the case of Board members or committees requesting information or assistance without Board authorization, the Chief can refuse such requests that require, in the Chief's judgement, a material amount of staff time or funds or are disruptive.
4. As the Board's single official link to the organization, the Chief's performance will be considered to be synonymous with organizational performance as a whole. Consequently, the Chief's job contributions are based on performance measured against the following:
 - a) The Chief's job description and annual goals and objectives agreed to by the Board and the Chief at the beginning of each review period;

CHAPTER TWO: BOARD – CHIEF LINKAGES

- b) Organizational accomplishment of the goals and objectives of the organization's Business Plan; and
- c) Compliance with the Board's policies contained in Chapter 2, Chapter 3 and Chapter 4 of the Board Policy Manual.

REPORTING REQUIREMENTS	As stated in this policy

LEGISLATIVE REFERENCE / AUTHORITY

1. Section 31(1)(e) of the *Police Services Act* states that, “a board is responsible for the provision of adequate and effective police services in the municipality and shall direct the chief of police and monitor his or her performance.”
2. Section 35 of the *Adequacy and Effectiveness of Police Services Regulation* requires that every board implement a quality assurance process relating to the delivery of adequate and effective police services, and compliance with the Act and its regulations.

BOARD POLICY

PROCESS FOR MONITORING PERFORMANCE

The Board has adopted this policy to establish the way in which it will monitor activities of the Police Service for which it has monitoring responsibilities in accordance with the *Police Services Act*, Ministry Adequacy Standards or Board policies.

Accordingly:

CHAPTER TWO: BOARD – CHIEF LINKAGES

1. Monitoring will be conducted to determine the degree to which Board policies, Ministry Standards and *Police Services Act* requirements are being fulfilled. Monitoring will be as automatic as possible, using a minimum of Board time so that meetings can be used to focus on strategic and policy priorities rather than reviewing the past.
2. Upon the choice of the Board, a given policy may be monitored in one or more of three ways:
 - a) **Internal Report:** Disclosure of compliance information to the Board from the Chief.
 - b) **External Report:** Discovery of compliance information by a disinterested, external auditor, inspector or judge, or by the Ministry of Community Safety and Correctional Service as part of its regular inspection of a police service. Such reports must assess executive performance only against policies of the Board, not those of the external party unless the Board has previously indicated that party's opinion to be the standard.
 - c) **Direct Board Inspection:** Discovery of compliance information by a Board member, a committee or the Board as a whole. This is a Board inspection of documents, activities or circumstances directed by the Board that allows a "prudent person" test of policy compliance.
3. For policies monitored through internal reporting, an annual Calendar of Monitoring Requirements that identifies the months in which regular monitoring reports are due to be submitted to the Board will be developed in consultation with the Chief and submitted to the Board by its Executive Director at the first Board meeting each year.

CHIEF'S REQUIREMENTS

The Chief shall ensure that:

1. Reports identified in the Board's annual Calendar of Monitoring Requirements as being the responsibility of the Chief or another member of the Police Service are submitted in a timely, accurate and understandable fashion, directly addressing the provisions of the policies being monitored. If it is not possible to submit a monitoring report by the specified due date, an explanation and new due date will be provided to the Board.

CHAPTER TWO: BOARD – CHIEF LINKAGES

BOARD POLICY

1. INTRODUCTION

The Ottawa Police Services Board recognizes that reviewing the performance of its Chief of Police is an important governance responsibility legislated by the *Police Services Act*, and that it is integral to the Board's business planning process and good governance of the Police Service.

Consequently the Board is committed to establishing and participating in a Performance Evaluation System for its Chief of Police that promotes individual excellence and increases mutual understanding between the Board and the Chief of Police. Ideally, the formal assessment will ensure open communication is maintained and the well being of the Police Service is fostered through mutual trust and planning. Furthermore, the Board expects the Chief to achieve significant results each year, and in so doing, to improve the quality of policing services to the citizens of Ottawa.

CHAPTER TWO: BOARD – CHIEF LINKAGES

The goal of the Performance Evaluation System is to provide the Police Services Board with a formal opportunity to assess the results achieved by the Chief of Police in implementing the Board's business plan and specific objectives set at the beginning of each annual review period.

2. GENERAL PRINCIPLES

- 2.1 A performance evaluation system is an annual requirement intended to support and reinforce the achievement of the strategic priorities, goals and objectives outlined in the Board's Business Plan.
- 2.2 The performance evaluation system will consist of four components:
 - a) The Position Description for the Chief of Police.
 - b) A Performance Plan that sets out the objectives and expected accomplishments for the year under review.
 - c) A Performance Evaluation Rationale and Instructions document.
 - d) A Performance Evaluation Questionnaire.
- 2.3 The performance evaluation system adopted by the Board is based on the system developed by the Ontario Association of Police Services Boards, but has been modified to reflect the duties and responsibilities for the Chief of Police in Ottawa, and is compatible with the competencies outlined in the Chief's Position Description.
- 2.4 There are several sources the Board may refer to when completing the performance evaluation such as: audits conducted by the Ministry of Community Safety and Correctional Services or the City Auditor General; monitoring reports submitted to the Board such as public complaints or financial quarterly reports; community feedback received by the Board; '360 degree' reviews from individuals working closely with the Chief; and environmental scans including public surveys of community satisfaction.
- 2.5 In assessing the Chief's performance, the requirements contained in Board policy CR-5: Communication and Counsel to the Board, shall also be taken into consideration.

3. PROCESS

CHAPTER TWO: BOARD – CHIEF LINKAGES

- 3.1 At the start of each annual evaluation period the Chief and the Board will jointly complete a Performance Plan, determining the objectives and expected accomplishments for the year.
- 3.2 A month before the end of the annual evaluation period, a copy of the Performance Evaluation questionnaire and rationale/instructions for completing it will be circulated to all Board members. Each Board member shall complete the form and return it in a sealed envelope to the Executive Director within a prescribed timeframe.
- 3.3 The completed questionnaires shall be delivered to the Board Chair, who shall review and compile one Performance Evaluation for the Chief, including any comments received from Board members. The Chair shall also compile a draft Performance Plan for the coming year based on input from the questionnaires. The Chief will be asked to prepare a draft Performance Plan at this time as well.
- 3.4 Once the Performance Evaluation has been compiled, it shall be discussed with the Board members at a “Board only” meeting. Board members’ shall also discuss the Performance Plan for the coming year.
- 3.5 Following the meeting, the Chair and Vice Chair shall meet with the Chief to discuss the Evaluation, and will also discuss the Performance Plan for the next evaluation period with a view to finalizing it.
- 3.6 The Chair shall report back to the Board on the meeting with the Chief of Police and seek final approval for the Performance Evaluation and the Performance Plan.
- 3.7 As a result of changing circumstances, the Board or Chief of Police may wish to revisit the Performance Plan during the year.
- 3.8 The Board reserves the right to meet with the Deputy Chiefs of Police or others with whom the Board has individual employment agreements with respect to their performance evaluations by the Chief of Police.

The Chief shall ensure that a plan for business continuity is in place and that at least two other executives are familiar with Board and Chief issues and processes, and shall have appropriate records and documentation that would facilitate continuity of operations.
- e) Complies with the Ottawa Police Service's Respectful Workplace Program.

MONITORING REQUIREMENTS

At the mid-point of the Business Plan, in conjunction with the Board, the Chief shall assess the effectiveness of the Executive Succession Management policy with respect to the senior executive positions for both emergency situations and long term planning, and identify any areas that require amendment or additional support.

REPORTING REQUIREMENTS

On an annual basis, the Chief of Police shall present to the Board the Executive Succession Management Program, which will include:

BOARD POLICY

1. INTRODUCTION

The Ottawa Police Services Board recognizes the importance of well conceived external communications and consultation in promoting public understanding of Ottawa Police policies, programs and services, and providing the Board and Service with a critical insight into public attitudes and expectations. It values public consultation as a means to address the expectations of the citizens of Ottawa, and to achieve improved policies, programs and initiatives in serving the public. The Ottawa Police Services Board is committed to ensuring that administrative and policy processes are open and accessible, respectful of the public's right to be involved, and responsive to the public need for information and feedback.

This policy provides direction to the Chief of Police and a framework for a process of engagement with the public in order to solicit their views as an integrated part of the decision-making process at the Ottawa Police Service.

The Public Consultation policy supports the Police Service's vision statement and is fundamental to acquiring public trust, understanding and support for the actions of the Police Service and Police Services Board.

2. GOALS

CHAPTER THREE: CHIEF'S REQUIREMENTS

The goals of the Board's Public Consultation policy are:

- a) To provide an opportunity to every citizen who wishes to be heard on issues within the Board's jurisdiction.
- b) To recognize citizens as a source of information and education for decision-making.
- c) To provide the public with sufficient and comprehensible information about the Service's mandate, services and programs.
- d) To provide a timely and comprehensive response to public requests for information.
- e) To address the impacts of Police Service decisions on the community.
- f) To ensure the Police Service is kept informed about public opinion and community aspirations.
- g) To develop and maintain a trusting, positive, cooperative relationship between the Police Service and its citizens.
- h) To improve the quality of Police Service decisions and actions.

3. **BENEFITS**

The benefits of public consultation include:

- a) Being responsive to the community's right to know and to be involved, as well as the Police Services Board's obligation to make decisions on behalf of the community;
- b) Recognizing the value of the opinions and expertise offered by members of the public;
- c) Acknowledging public sensitivity to change in the community and its desire to participate effectively in policy and program development processes;
- d) Ensuring information and knowledge is shared with and/or received from the public;
- e) Providing opportunities to build consensus around issues or changes; and

CHAPTER THREE: CHIEF'S REQUIREMENTS

- f) Encouraging active public promotion regarding implementation of Police Service initiatives.

4. PRINCIPLES

The Chief of Police shall ensure that the following general practices and principles are adopted throughout the organization:

- a) A climate is created in which public consultation is utilized as a management function;
- b) Consultation and communications planning is integrated within the overall organization and strategic planning;
- c) Cooperation and liaison exists between consultation staff and communication staff both within the Service and with other partners and outside agencies;
- d) The consultation process involves the right level of accountability and participants for the consultation process;
- e) An environment is fostered that encourages and values feedback to and from individuals, the public and employees by communicating the results of consultation to interested participants.

5. POLICY REQUIREMENTS

The Chief of Police shall ensure that the following principles and practices are included in organizational activities and processes:

5.1. Values that Support Public Consultation

The following values that support public consultation are fostered and in place throughout the Police Service:

- a) *Consultation is instilled as a way of organizational life* - the Service will consult the community as a normal part of its work.
- b) *Consultation occurs early in the process* - consultation is much more fruitful and less demanding of resources when it occurs early in the process.
- c) *Two-way communication* - communication with the public not only flows

CHAPTER THREE: CHIEF'S REQUIREMENTS

both ways, but also can be initiated by either side. The Service should consult the community, and the community should consult the Service.

- d) *Uniqueness is recognized* - each problem and situation is unique. The Service should be innovative, flexible, and sensitive to local conditions, all of which require close contact with both the affected community and community at large.
- e) *Multi-faceted input is sought* - by considering each problem from many points of view, the Service is more likely to achieve a preferred solution.
- f) *Community leadership is recognized as valuable* - community leaders are a valuable resource to the Service.
- g) *The Service knows the community* - be familiar with the community, their concerns, their goals, their strengths and their needs.
- h) *The importance of continuity is recognized* - the Service should recognize that change may disrupt the lives of its citizens. Change may be viewed negatively when it:
 - does not serve the needs of those experiencing the change;
 - occurs without time to adjust;
 - is not preceded by opportunities for consultation; or
 - seems to create impacts and benefits which are not fairly distributed.

5.2. Process Considerations

The process for consultation shall be undertaken as a matter of practice. In circumstances where it is not possible, a clear and justifiable reason shall be presented. The following considerations related to the process for consultation will be practiced by members of the Ottawa Police Service:

- a) The Service must routinely assess its activities, the impact of those activities on the citizens and the need for public consultation, and identify early in the process which issues require public consultation. Due to the diversity and complexity of activities undertaken by the Ottawa Police Service, the requirement for public consultation is not always clear. Not all

CHAPTER THREE: CHIEF'S REQUIREMENTS

activities in the day-to-day operation or administrative functioning of the Service require public consultation.

- b) The Service is frequently a partner or participant with other governments and agencies for joint projects. In these instances, the Service does not always have the authority to determine the process for public consultation. The Police Service will encourage and promote implementation of a public consultation process as a key component of any project/activity along with needs and approaches utilized by others, but a decision not to embrace a public consultation approach by the lead organization will not preclude the Police Service from participating in projects/activities.
- c) Consultation should be considered for every project that has a direct impact on the public and consideration given to the most effective and appropriate method of consultation. There is no single method for successful communication and consultation. Consultation may be as simple as informing people of a proposed change, or it may take the form of an informal discussion, or a formal event such as an open house or public meeting.

5.3. Required Actions

- a) Reports to the Police Services Board must contain information on what consultation took place and how the staff recommendation reflects or does not reflect the input received;
- b) Staff required to conduct and manage effective consultation receive adequate resources, training and professional development;
- c) Consultation requirements are developed and reflected in employee assessments, and in policy, program design and service delivery;
- d) A training module is adopted by the Professional Development Centre;
- e) A process to ensure the ability to create a network to consult with potentially affected stakeholders (parties, entities). Public consultation literature is acquired and made accessible through a range of media (electronic and hard copy) and at all main police locations;
- f) Periodic evaluations of the results of the consultation process are

CHAPTER THREE: CHIEF'S REQUIREMENTS

conducted to ensure they reflect client needs;

- g) Evaluation of past consultations and establishment of best practices are done to achieve continuous service improvements; and
- h) This policy shall be communicated to all members of the Ottawa Police Service and the community regularly and in an ongoing manner through channels such as the Internet.

MONITORING REQUIREMENTS

The police service shall develop procedures or practices that support this policy. The monitoring shall be in accordance with the procedures and practices, and support the annual reporting to the police services board.

REPORTING REQUIREMENTS

The Chief of Police shall submit an annual report to the Board.

1. INTRODUCTION

CHAPTER THREE: CHIEF'S REQUIREMENTS

The Ottawa Police Services Board is committed to providing a fair, consistent and efficient process, while respecting the important need for public consultation and legislative approvals, with respect to commemorative naming of parts of municipal police facilities after a person, persons, family name or event.

This policy sets out a framework and provides direction for the Police Services Board, and to the Chief of Police, regarding considerations and processes for the naming of municipal police facilities, and parts of municipal police facilities, owned by the City of Ottawa.

In preparing the policy, the City of Ottawa's *Commemorative Naming Policy for Municipal Parks, Streets and Facilities* has been used as a guide to ensure consistency with the City's practices.

2. SCOPE

It is the policy of the Board that municipal police facilities, except for Police Headquarters located at 474 Elgin Street, not be given commemorative names, but that they be referred to by their geographical or policing operations name. Commemorative naming will apply solely to the naming of parts of municipal police facilities, such as meeting rooms, for as long as the buildings are used for police purposes.

This policy applies only to City-owned buildings that are primarily designated for police use. It does not apply to other City-owned buildings that may contain a lesser police presence, such as a community centre in which a community police centre is located.

3. PURPOSE

The main objectives of this policy are to ensure:

1. A clear, efficient and timely commemorative naming process for parts of municipal police facilities;
2. The application of consistent criteria to determine the validity of a commemorative name;
3. The application of a concrete consultation process and community participation;

CHAPTER THREE: CHIEF'S REQUIREMENTS

4. One central repository for all commemorative naming requests for municipal police facilities or parts of facilities;
5. An appropriate approval process that recognizes the importance of the role played by legislative bodies (i.e. the Police Services Board);
6. Consistency with related policies at the City of Ottawa.

4. APPLICATION

Any member of the public, Police Services Board or Police Service (through the Chief) may submit a nomination for commemorative naming of part of a municipal police facility.

5. DEFINITIONS

For the purpose of this policy, the following definitions apply:

Commemorative - shall refer to the official naming of a part of a municipal police facility to commemorate or perpetuate the memory of a person, persons, family name or event.

Commemorative Names Reserve List – shall refer to a central Corporate list maintained by the City Clerk of all commemorative names submitted and approved for parks and facilities, however, not yet used.

Renaming – shall refer to the act of discarding of an old or current name, which most likely has become an important part of community identity. The old or current name is not restricted to a commemorative name, but is inclusive and refers to names originating from a street, community, geographical area, etc.

6. POLICY DESCRIPTION / IMPLEMENTATION

1. Criteria

When the naming of a part of a police facility is being requested, at least one of the following criteria shall apply:

1. The nominated individual shall have demonstrated excellence, courage or exceptional service to the citizens of the City of Ottawa, the Province of Ontario and/or Canada;

CHAPTER THREE: CHIEF'S REQUIREMENTS

2. The nominated individual shall have an extraordinary community service record;
 3. The nominated individual shall have worked to foster equality and reduce discrimination;
 4. Where the nominated individual is a current Police employee, the individual shall have made an outstanding contribution to the Ottawa Police Service outside of her/his capacity and duties as a Police employee, or they may be recognized for their exceptional service once they are no longer a Police employee;
 5. An individual may be recognized for a significant financial contribution to a facility, where that contribution significantly benefits the community that the facility serves;
 6. The nominated name has historical significance.
2. Commemorative Naming Application Form

A Commemorative Naming information sheet, application form and required affidavits will be available in both French and English through the contact noted at the end of this policy document.

3. Processes

The commemorative naming process for municipal police facilities will involve a different course of action depending on the circumstances surrounding the request/requirement for naming. The following outlines three possible circumstances under this policy with respect to commemorative naming:

A. COMMEMORATIVE NAMING PROCESS: EXTERNAL APPLICATIONS

Receipt of a Nomination/Application:

All requests for commemorative naming are to be submitted in writing by completing the Ottawa Police Services' Commemorative Naming Application Form and supporting documentation.

Processing of the Nomination/Application:

CHAPTER THREE: CHIEF'S REQUIREMENTS

Processing the application will involve confirmation of criteria, reference checks (if applicable), discussion with the applicant and applicable departments or directorates, initial meeting of the Police Commemorative Naming Committee (PCNC), public consultation for a 60-day period, compiling consultation results, and reconvening a meeting of the PCNC to review the public consultation results and departmental comments, and reach a decision for recommendation to the Board.

Board Approval:

After the PCNC has reached a decision, an *in camera* report to the Board will be prepared containing the PCNC's recommendation.

Implementation of Approved Nomination:

Following Board approval, implementation of the approved commemorative name is undertaken. This involves final notification to the nominee, preparation of an official letter signed by the Board Chair and Chief, and an official unveiling ceremony for the nominee and/or family with the presentation of a plaque to be erected at the site, indicating the name as well as its significance for commemoration.

B. COMMEMORATIVE NAMING PROCESS: INTERNAL APPLICATIONS

Receipt of a Nomination/Application:

All requests for commemorative naming are to be submitted in writing to the Chief's Executive Officer by completing the Ottawa Police Services' Commemorative Naming Application Form and supporting documentation.

Processing of the Nomination/Application:

Processing the application will involve confirmation of criteria, reference checks (if applicable), discussion with the applicant and applicable units. A meeting of the Police Commemorative Naming Committee (PCNC) will be convened to review the application and reach a decision for recommendation to the Board.

Board Approval:

CHAPTER THREE: CHIEF'S REQUIREMENTS

After the PCNC has reached a decision, an *in camera* report to the Board will be prepared containing the PCNC's recommendation.

Implementation of Approved Nomination:

Following Board approval, implementation of the approved commemorative name is undertaken. This involves final notification to the nominee, preparation of an official letter signed by the Board Chair and Chief, and an official unveiling ceremony for the nominee and/or family at the site, indicating the name as well as its significance for commemoration.

C. COMMEMORATIVE NAMING PROCESS: NEW FACILITY CONSTRUCTION

The Facilities Section of the Ottawa Police Service will notify the Police Services Board Executive Director when a new police facility is to be constructed, with information regarding the specific facility and the applicable time frame for construction.

The Executive Director may convene a meeting of the Police Commemorative Naming Committee as required to discuss and name all new facilities (based on geographic or operational references) that have been identified as requiring a name, or to discuss a recommended commemorative name for a part of a police facility.

The Committee shall review the approved list of names eligible for consideration to determine if there is an appropriate name for the identified parts of the facility, or undertake necessary steps to solicit proposed names. If a commemorative name is selected for any part of the facility from the Commemorative Names Reserve List, or a name is recommended through another means, the public consultation process will commence for 60 days. The Police Commemorative Naming Committee will reconvene to review public comment and develop a final recommendation. The recommendation will be submitted for approval to the Board.

D. COMMEMORATIVE NAMING PROCESS: COMMEMORATIVE NAMES RESERVE LIST

CHAPTER THREE: CHIEF'S REQUIREMENTS

Similar to the process outlined in Section A above, a name may be submitted that is not site or venue specific. In this regard, the application will undergo the same process with respect to criteria evaluation and investigation. Staff will discuss possible options and suitability with the nominator. If a site and/or geographic location is not determined through these discussions, the name will be placed on the Commemorative Names Reserve List (for facilities) maintained by the City Clerk.

7. PUBLIC CONSULTATION

Public consultation shall be undertaken in accordance with the size and scope of the part of the facility being named. Consultation may consist of formal written notification of the proposed name to ward-affected community associations, applicable consultative groups and Ottawa Police Service advisory groups (where appropriate) for comment. Public meetings may be held upon request by a member of the Board, and advertisements may be placed in applicable community newspapers and dailies, where appropriate, and on the Service's Web site (ottawapolice.ca). The public consultation period shall last two months, or 60 calendar days.

Public consultation is required as the issue of commemorative naming of facilities or parts thereof directly affects citizens and provides identity to the communities in which they live. Through public consultation at the community and city-wide level, residents will be able to ensure they maintain a strong connection to their communities and will be able to gain a better understanding of the individual who has been nominated for commemoration. Statistical information on comments received under consultation will be provided to individuals other than the Commemorative Naming Committee, upon request. However, specifics and written comments received will only be available to the Committee and Police Service Board.

Police staff will provide the final decision on a proposal to individuals who submit a comment under the public consultation component, and provide a copy of the Commemorative Naming policy and information sheet, when necessary.

8. POLICE COMMEMORATIVE NAMING COMMITTEE

The Police Commemorative Naming Committee (PCNC) is composed of the following representatives (or their designate):

CHAPTER THREE: CHIEF'S REQUIREMENTS

1. The Chair of the Police Services Board's Policy & Governance Committee
2. The Police Services Board Executive Director
3. The Executive Officer
4. The Director of Community Development
5. The Director of Corporate Communications
6. The Director of Police Facilities.

Meetings will be held in-camera, in accordance with the *Police Services Act* exemption for matters pertaining to an identifiable individual.

9. COMMEMORATIVE NAMES RESERVE LIST MAINTENANCE AND USE

The Office of the City Clerk maintains the Commemorative Names Reserve list for City parks and facilities.

Consistent with Council direction, historical names will be given precedence. Otherwise, there shall be no prioritization system of commemorative names on the list. Nominators are free to designate the name for use in a specific police facility at the time of nomination if they chose.

The List shall be made available on request to any interested party, although the results of the investigations of the naming requests shall remain confidential.

10. RENAMING

The renaming process shall be identical to the commemorative naming process and shall also require the Police Services Board as the final authority for approving the proposed name. The renaming process differs in that it entails the discarding of an old name, which most likely has become an important part of community identity. Thus the need for public input is even greater.

11. RESPONSIBILITIES

Board Executive Director, OPS Superintendents and Directors

It is the responsibility of the Executive Director of the Police Services Board and of OPS Superintendents and Directors to:

CHAPTER THREE: CHIEF'S REQUIREMENTS

- a) Understand and support this policy, and ensure that the policy is communicated to employees and the public.
- b) The Facilities section of the Police Service will notify the Board Executive Director when a new municipal police facility is to be constructed, information regarding the specific facility and the applicable time frame for construction, and, if applicable, information with respect to proposed names for the facility or a part thereof.
- c) The Executive Director will consult with the City Clerk regarding whether there are names on the Commemorative Names Reserve List that have been proposed for a police facility.

Employees

Employees responding to a public inquiry regarding commemorative naming are responsible for:

- a) Referencing the subject Policy and processes, where applicable;
- b) If applicable, directing the inquiry to the Board Executive Director or the contact noted at the end of this policy document.

12. CONTRAVENTIONS

Failure to comply with this policy will result in inconsistent information provided to the public and members of the Police Services Board, and increase the possibility of improper commemorative naming of parts of municipal police facilities without appropriate research, community involvement and endorsement.

LEGISLATIVE AUTHORITIES

- Under Section 31(1)(c) of the *Police Services Act* the Board is responsible for the provision of adequate and effective police services in the municipality and shall establish policies for the effective management of the police force. This policy addresses the provision of policing services in a manner that respects human rights and avoids racial profiling.
- Canadian Charter of Rights and Freedoms
- The Ontario Human Rights Code, R.S.O. 1990

BOARD POLICY

INTRODUCTION

The Ontario Human Rights Code (the *Code*) provides that every person has a right to equal treatment with respect to services, goods and facilities, without discrimination because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, age, marital status, family status or disability.

The Ottawa Police Services Board is committed to the principle that every person has a right to the provision of police services in a fair and equitable manner that respects the inherent worth and dignity of all persons and provides equal treatment to persons, without discrimination or harassment.

CHAPTER THREE: CHIEF'S REQUIREMENTS

In particular, the Board recognizes that racial profiling is a serious problem in Canadian society and that members of police services, including the Ottawa Police Service, can be susceptible to its negative influence, whether conscious or unconscious. The Board recognizes that racial profiling causes tremendous harm to those who experience it and to the police service's relationship with the community. This harm includes, but is not limited to, psychological harm, alienation, loss of trust and confidence in the police and criminal justice system, unwillingness to contribute to police investigations, and the criminalization of race.

PURPOSE

The purpose of this policy is to state the Board's commitment to policing that respects and adheres to the principles contained in the Canadian Charter of Rights and Freedoms and the Ontario Human Rights Code, and to set out the Board's expectations with regard to respecting human rights in the delivery of police services. The policy requirements set out in this document shall form part of the Board's direction to the Chief of Police.

POLICY REQUIREMENTS

It is the policy of the Ottawa Police Services Board that the Chief of Police shall:

1. Have operational policies and procedures in place to implement the principle of equal treatment in police services, without discrimination or harassment, consistent with the Canadian Charter of Rights and Freedoms and the Ontario Human Rights Code. These procedures shall include:
 - a) Provisions that reinforce and encourage positive and professional practices that aim to promote and protect human rights.
 - b) The following definition of racial profiling:

"Racial profiling in policing occurs when race, ethnicity, colour, place of origin or religion, or stereotypes about offending or dangerousness associated with any of these characteristics is used, consciously or unconsciously, to any degree in suspect selection or suspect treatment except when looking for a particular suspect who has committed an offence and who is identified, in part, by their race."

CHAPTER THREE: CHIEF'S REQUIREMENTS

- c) A provision that prohibits members of the Police Service from engaging in racial profiling in any of their activities.
- d) Standards by which to measure compliance with the prohibition, taking into account that the test for determining violations of the prohibition will depend on the nature of the police activity in question.
- e) The requirement for training materials and programs that address human rights issues, as well as understanding and preventing racial profiling, to be delivered to all members of the Police Service.
- f) A process to deal with public complaints about human rights or racial profiling violations received by the Police Service. The complaints process shall be clear and accessible in its explanation of how to file a complaint and the steps that will be followed.
- g) Ongoing community engagement and outreach through awareness-raising programs, events, visits and forums to build and maintain relationships.

MONITORING REQUIREMENTS

The Chief of Police shall ensure that an administrative review, that includes community consultation, is conducted every two years of all measures designed to address human rights and racial profiling in the delivery of policing, including, but not limited to, police complaints, training, general community concerns and compliance with this policy.

REPORTING REQUIREMENTS

The Chief of Police shall submit an annual report to the Board on the effectiveness and impact of this policy that shall include:

- a) Information on any procedures developed to support this policy and an assessment of their effectiveness as well as impact on practices throughout the Service.
- b) Reporting and other mechanisms relied upon by the Chief of Police to ensure accountability by all levels of management.
- c) Compliance with the requirements of this policy.

- Section 31(1)(b) of the Ontario *Police Services Act* states that a board shall “generally determine, after consultation with the chief of police, objectives and priorities with respect to police services in the municipality”.
- Section 31(1)(c) of the Ontario *Police Services Act* states that a board shall “establish policies for the effective management of the police force”.
- Section 41(1)(a) of the Ontario *Police Services Act* provides that the duties of the chief of police include “administering the police force and overseeing its operation in accordance with the objectives, priorities and policies established by the Board under subsection 31 (1)”.

INTRODUCTION

From time to time, the City of Ottawa is the site of major events that are outside regular day-to-day police operations and require a higher than normal degree of resources, advance planning, and partnerships with other levels of government, police agencies and City departments. They may also present a higher than normal level of potential risk to public order and security.

During the planning and implementation of such events, the role of the Police Services Board is to provide appropriate civilian oversight and governance to ensure the continued delivery of adequate and effective police services in the City of Ottawa, as it is mandated to do under the *Police Services Act*. In order to fulfil its statutory responsibility of determining objectives, priorities, and policies for the police service and,

CHAPTER THREE: CHIEF'S REQUIREMENTS

in the context of this policy, for major events, it is critical that there be an open exchange of information between the Board and the Chief of Police.

This policy sets out the Board's expectations with regard to major event planning and policing, and provides direction to the Chief of Police to ensure the Board's expectations and obligations are met.

DEFINITION

A **Major Event** is defined as an exceptional, out-of-the-ordinary policing operation or event that is characterized by one or more of the following:

- a) Is a federally designated meeting involving international representatives
- b) Involves an "internationally protected person"
- c) Will tax the Service's ability to provide regular policing services to the citizens of Ottawa
- d) Requires resources from other police agencies
- e) Is a major community event that has the potential to significantly disrupt public peace, order or security
- f) Is designated as such by the Chief of Police.

BOARD POLICY

1. Communication & Consultation with the Board

It is the policy of the Ottawa Police Services Board with respect to the planning and policing of Major Events that the Chief of Police will ensure that:

- 1. The Board is informed as soon as is practicable when there is a reasonable possibility that the Ottawa Police Service may be involved in the policing of a major event.
- 2. The Board is provided, at the earliest possible stage, with sufficient relevant operational and other information to allow it to understand details of the major event, what legislation and other legal requirements may apply to the policing of the major event, the role that other organizations may play, any existing Board policies that may apply, or any new policies that might be required.

CHAPTER THREE: CHIEF'S REQUIREMENTS

3. The Board is consulted in determining the mission and appropriate objectives, priorities and policies for the major event. Once these have been defined, the Police Service will maintain the autonomy to develop and execute the appropriate operational plans.
4. The Board is provided with sufficient information to allow it to ensure that operational plans:
 - a. Are consistent with the mission and objectives;
 - b. Are consistent with applicable Board policies; and
 - c. No additional policies are required to provide guidance to the Police Service.

Through this review process the Board may provide recommendations to the Chief where it believes the mission, objectives and priorities are not being achieved. However, the Chief remains free to accept or reject the Board's recommendations.

5. The Board is advised of what mechanisms exist to capture, during the planning process, the input of those who will have operational decision-making responsibilities during the event, and what testing of the operational plans will be conducted before the event.
 6. The Board is advised of continuity of service plans so that it can assure itself that the rest of the City will be adequately and effectively policed during the major event.
 7. The Board receives confirmation that a complete operational plan has been created that addresses all applicable policies and procedures.
 8. The Board is provided with regular updates on the progress of the Ottawa Police Service's planning for the policing of the event.
2. Major Events Hosted by a Government Entity

When the Police Service is asked to develop operational plans to police a major event hosted by a government entity, the following provisions will apply:

CHAPTER THREE: CHIEF'S REQUIREMENTS

1. As soon as the Board learns of the potential for Ottawa to be selected as the host city for an event sponsored by the federal or provincial government, the Board shall make a formal request to the host government that it be consulted in advance of final decisions being made on matters relevant to the Ottawa Police Service's policing function at the event. In particular, the Board shall request that it receive information that will enable it to understand the Ottawa Police Service's role at the event, the proposed decision-making structure and process, the legal framework applicable to the event's policing, and any other relevant information.
 2. The Chief shall review whether there is sufficient time to plan for the event and specifically, whether the adequacy and effectiveness of policing for the event may be compromised by the time available to plan. If the adequacy and effectiveness of the Ottawa Police Service's policing may be affected by the amount of time available for planning, the Chief shall advise the Board and the Board will communicate this to the government entity hosting the event, and seek assistance to address challenges and gaps.
 3. The Police Service shall negotiate a framework funding agreement with the host entity setting out the funding and reimbursement conditions with respect to the Ottawa Police Service's expenses associated with planning and policing the event. The agreement shall be reviewed by the Board Solicitor for potential risk and financial exposure, and the Board will be a signatory to the agreement.
 4. When the RCMP will be involved in an international event for which security arrangements are required, and they include the participation of the Ottawa Police Service, the Board should encourage the federal and provincial governments to enter into an arrangement under section 10.1(4) of the *Foreign Missions and International Organizations Act (FMIOA)*. Furthermore, the Board should seek an opportunity to provide input concerning the details of such an arrangement with respect to the policing functions that the Ottawa Police Service can fulfill for the event and the legal authorities on which the Ottawa Police Service's involvement will be based.
3. Multi-Jurisdictional Policing Events

When the Ottawa Police Service is involved in a joint operation related to the policing of a major event, the following provisions will apply:

CHAPTER THREE: CHIEF'S REQUIREMENTS

1. A formal agreement will be entered into with any other police agency assisting the Ottawa Police with policing a major event in Ottawa, or with other police agencies that have asked the Ottawa Police Service to assist them in their jurisdiction. The agreements shall be reviewed by the Board Solicitor and the Board shall be a signatory to them.
 2. Formal agreements with other police agencies that are providing personnel to assist the Ottawa Police Service with an event in Ottawa shall set out the Ottawa Police Board policies and Ottawa Police Service procedures that will apply to police personnel who are under the command and control of the Ottawa Police Service. These policies shall include the requirement that all uniformed officers must wear name badges at all times. If external police officers violate identified Board policies or Ottawa Police Service procedures while carrying out their duties in assisting the Ottawa Police Service, the home board or their complaints and disciplinary oversight body shall have the authority to discipline those officers. This should also be stated in the formal agreement.
 3. The Board shall be provided with detailed information and briefings concerning the planning structure, including the Ottawa Police Service's role in that structure, and whether planning decisions by the Ottawa Police Service are subject to the approval of any other entity.
 4. The Board shall be provided with information concerning the command and control structure for the event. The Board shall assure itself that the command and control structure will enable the Ottawa Police Service to adequately and effectively provide police services for the event and for the rest of the City of Ottawa.
 5. The Board shall receive sufficient information on training developed by the Ottawa Police Service for a major event and offered to its own officers and external police officers seconded to assist the Ottawa Police, to assure itself that training will be provided, whether any gaps exist in Board policies that need to be addressed prior to the event, and how the Ottawa Police Service plans to monitor compliance with the training.
4. Mass Demonstrations, Arrests and Detention

The Chief shall ensure that:

CHAPTER THREE: CHIEF'S REQUIREMENTS

1. There is a policy in place to deal with crowd control at mass demonstrations that addresses: necessary preparation times for adequate planning; command structures; the organization and dissemination of intelligence; incident management systems; the adaptation, if necessary, of existing services procedures for use during the contemplated event; and, training.
2. There is a policy in place pertaining to mass detention that includes the specific procedures required to adequately address the rights of a large number of prisoners, and that the procedures are in accordance with current Canadian legal standards. (*Morden Recommendation #35*)
3. There is an operating plan for a temporary mass prisoner processing centre if one is needed. The plan shall address the design and processes for the facility, including procedures concerning prisoner care and management. The Ontario Ministry of Community Safety and Correctional Services should be consulted with respect to the development of this operational plan.
4. The Board is provided with sufficient information to be assured that the above-noted plans and policy requirements are in place.

LEGISLATIVE REFERENCE / AUTHORITY

Section 29 of the Ontario Regulation (O. Reg.) 3/99 ("Adequacy and Effectiveness of Police Services"), made under the *Police Services Act* (PSA), requires a police services board to have a policy on traffic management, traffic law enforcement and road safety

CHAPTER FOUR: MINISTRY POLICING STANDARDS AND REGULATIONS

which includes a policy on the proper acquisition, use and maintenance of Speed Measuring Devices and related training.

In addition, section 8 of O. Reg. 3/99 requires the Chief of Police to establish procedures on traffic management, traffic law enforcement and road safety which includes procedures on the proper acquisition, use and maintenance of Speed Measuring Devices and related training.

The *Occupational Health and Safety Act* (OHSA) outlines the responsibilities of employers, supervisors and workers for workplace safety.

The Ontario Ministry of Labour's Health and Safety Guideline on "*Radiofrequency and Microwave Radiation in the Workplace*" (or its successor) sets out Occupational Exposure Limits; and is enforced in Ontario workplaces by the Ministry of Labour (MOL).

The Occupational Exposure Limits in the above noted MOL Guideline are based on Health Canada's "Limits of Human Exposure to Radiofrequency Electromagnetic Energy in the Frequency Range from 3 kHz to 300 GHz", *Safety Code 6, 2009* or its successors.

The Ontario Police Health and Safety Committee (OPHSC) has prepared Guidance Note #8 which is entitled, "*High Visibility Garments*". This Guidance Note (or its successor) provides procedures for the wearing of high visibility garments when employees are exposed to traffic hazards. MOL inspectors refer to OPHSC Guidance Notes when they carry out their enforcement duties under the OHSA.

The current "*Speed Measuring Device Performance Specifications: Down-The-Road Radar Module*" (DOT HS 809-812, June 2004, Technical Manual or successor versions) is a publication of the National Highway Traffic Safety Administration (NHTSA). This NHTSA Technical Manual has been adopted by the International Association of Chiefs of Police (IACP); and, it is recognized as the performance standard for speed measuring radar³⁰ devices.

The current "*Speed Measuring Device Performance Specifications: Lidar Module*" (DOT HS 809-811, June 2004, Technical Manual or successor versions) is an NHTSA

³⁰ Radar is the short form for "radio detection and ranging"

publication. This NHTSA Technical Manual has been adopted by the IACP; and, is recognized as the performance standard for speed measuring lidar³¹ (laser) devices.

For the purposes of these requirements, an Operator is a person assigned to/carrying out traffic enforcement duties, who has successfully completed the accredited/prescribed initial and refresher training by a qualified Instructor.

PREAMBLE

Traffic enforcement and the safety of road users are important elements of public safety and are statutorily required. In this regard, positive outcomes depend on the proper and safe operation of speed measuring devices, and the provision of standardized training in the safe, effective and consistent use of speed measuring devices.

BOARD POLICY

It is the policy of the Ottawa Police Services Board with respect to speed measuring devices that:

The Chief of Police will:

- a) Ensure the provision of speed measuring devices that:
 - i) comply with the current NHTSA performance standards adopted by the International Association of Chiefs of Police (IACP) and entitled, “*Speed Measuring Device Performance Specifications: Down-the-Road Radar Module*” (DOT HS 809-812, June 2004, Technical Manual or its successor versions); and, “*Speed Measuring Device Performance Specifications: Lidar Module*” (DOT HS 809-811, June 2004, Technical Manual or its successor versions) ;
 - ii) do not exceed the current 50W/m² occupational exposure limits (formerly expressed as 5mW/cm²) in compliance with the Occupational Exposure Limits established by Health Canada’s *Safety Code 6, 2009* and adopted by Ontario Ministry of Labour’s Health and Safety Guideline Note “*Radiofrequency and Microwave Radiation in the Workplace*” and their successors; and

- iii) are tested and certified initially by the manufacturer to be in accordance with the above NHTSA performance standards and similarly tested and certified following any major repair;
- b) Ensure that each operator uses, maintains and cares for the speed measuring devices provided to them in accordance with the manufacturer's manual for the specific device;

Ensure that operators:

- i) use speed measuring devices only after successfully completing the accredited/prescribed training by a qualified Instructor;
 - ii) do not permit devices to transmit when not in use; and
 - iii) always direct the speed measuring devices away from their body, specifically the head and groin areas;
- c) Ensure that, at least every thirty-six months, every operator who may be required to use speed measuring devices successfully completes an accredited or prescribed training course by a qualified Instructor that reviews the topics covered in the initial accredited/prescribed training course, including updates on changes in case law, new technological developments and/or operating procedures; and
 - e) Ensure that operators receive information on: the current NHTSA performance standards adopted by IACP and entitled, "*Speed Measuring Device Performance Specifications: Down-the-Road Radar Module*" (DOT HS 809-812, June 2004, Technical Manual); and "*Speed Measuring Device Performance Specifications: Lidar Module*" (DOT HS 809-811, June 2004, Technical Manual); Health Canada's *Safety Code 6, 2009*; the OHSA including the Ontario Ministry of Labour's Health and Safety Guideline entitled, "*Radiofrequency and Microwave Radiation in the Workplace*"; and the Ontario Police Health and Safety Committee (OPHSC) Guidance Note #8 entitled, "*High Visibility Garments*" (or successor versions of any of these).
